Venue description

The Beaverwood is a fully air-conditioned/heated venue located on the right towards the end of Beaverwood Road. We have parking on-site with two marked disabled parking bays. From the car park to the venue itself, there is currently a flat footpath approximately 70 metres long, with a handrail. It is suitable for wheelchairs. There is a gravel area leading up to a covered decking entrance with a gentle ramp. It is step free access throughout the venue.

Booking tickets

Our events at The Beaverwood are standing events. For our **Club, Soul, and Party Band nights**, there is seating around the room available on a first-come, first-served basis. If there are no seats available, and you require a seat, just speak to a member of staff and they will get one for you.

For our live **band nights**, there is bookable seating (Impaired/Priority Seating) available around the room at the rear.

We offer an additional ticket at no extra cost for disabled customers who require the support of a personal assistant to attend our venue. If you require a PA ticket, please email us once the initial ticket has been bought and we can organise this for you.
